

Mamaroneck Community Nursery School Parent Participation Day Request

Each year before the participating calendars are made, we allow parents to specify a particular day of the week that works best for their schedule.

As you might imagine, the participating calendars are very complicated. We try to put you on the calendar for only those days that you have requested. We will work very hard to try to grant each family's request, but we cannot guarantee that your request can be honored each month.

Calendars for October through December will be complete by mid-September. These will be posted on the Parent Portal on our website.
